INFORMATION

The FUGE Student Leader Apprentice (SLA) program is a two-week experience for students who are about to enter or who have just completed their senior year in high school. The program is designed for students who LOVE camp and want to learn more about leadership in the camp environment.

WEEK ONE

The first week of the SLA experience combines a variety of hands-on leadership experiences to get students out of their comfort zone. Every activity throughout the first week is designed to give students a wide variety of experiences. Some students will connect with certain aspects more than others, but all are intentional in developing valuable leadership skills. Week 1 experiences include:

- **Leadership Training:** Students will participate in Bible study as well as additional leadership studies that will help in identifying areas of strengths and weaknesses.
- **Team Building:** Students will work as a team to complete challenge course, team building challenges, and/or adventure recreation initiatives. These experiences are designed to stretch students beyond their comfort zone and help them unite as a team with fellow SLA students.
- **Ministry Sites:** Students will spend time serving in the community with fellow SLA participants. Some sites will offer face to face interaction with people while other sites may involve behind-the-scenes tasks. All sites are designed to provide students with a picture of community needs and how they can be involved in their own communities back home.
- **Preparation for Apprentice Week:** Students will prepare to be apprenticed to a FUGE staffer during their second week.

WEEK TWO

During the second week of the program, students will be apprenticed to a FUGE staffer and will experience first-hand what it is like to serve in camp ministry. Students will be given various tasks and roles throughout the week as they serve alongside the FUGE staff. Students will attend staff meetings and participate in the majority, though not all, of staff activities throughout the week.

LOCATIONS

The SLA program will be offered at **three locations** in the summer of 2023 – **North Greenville University** in Tigerville, SC; **University of Mobile** in Mobile, AL; and **Union University** in Jackson, TN. All locations will offer a similar experience during the first week of the program that will include leadership training, Bible study, ministry sites, recreation and more. During the second week, students will apprentice in either Centrifuge or MFuge depending on what the location offers.

North Greenville University in Tigerville, SC

- Dates // June 5-17, June 12-24, June 19-July 1, June 26-July 8, July 3-15, July 10-22
