

CA AB 506 Compliance for FUGE Camps at Jenness Park

By initialing below and with your signature at the bottom of this form, you are stating that your church volunteers attending the stated camp above are in compliance with California's AB 506, which requires all employees, administrators, and regular volunteers of youth-serving organizations (including churches, houses of worship, religious organizations, and nonprofits) to complete training in child abuse & neglect reporting and undergo fingerprinting and background checks. This must be done prior to entry onto the camp venue premises. Lifeway is not liable for the provision of false or inaccurate information as it pertains to such compliance in the state of California.
