

Top 10 Things New Churches Need to Know Before Camp

1. You have no financial obligation until January 15, when a \$125 per person non-refundable deposit is due. Your final balance will be due two weeks before you head to camp.
2. We require 1 adult for each 5 students (gender specific) attending camp. Adults must have a background check within the past year and participate in child protection training. A link for this training will be available on our website in the spring. Check out the Adult Sponsors At Camp Policy in the Camp Policies tab of the Group Leader Prep Center.
3. Each participant must complete a Camp Waiver. This is an electronic form and will be available on our website after March 1.
4. Parents will be prompted to select track times for their student during the Camp Waiver process (with the exception of students attending camp with a group registered for MFuge With Your Church).
5. You will receive a link via email to your Participant List in March/April – this is where you will list all participants – adults and students – coming to camp with your group. This needs to be completed and submitted 2 weeks prior to your arrival to camp.
6. You will want to hold two parent meetings—one to promote camp in the fall and one to convey information about camp in the spring.
7. You will need to plan transportation. Check out our Transportation Policy in the Camp Policies tab of the Group Leader Prep Center.
8. You will need to assign students and adults to housing rooms. We assign rooms to churches, but we do not assign individuals to rooms.
9. If you have students with special needs that we need to know about ahead of time, please note that on your Participant List, call 877-CAMP123, or email fuge@lifeway.com.
10. Check out the camp schedule on the Camp Details page for your location on our website. Plan to arrive at your camp location between 1:00-4:00 pm.
